

# inspiring Dorset

The Inspiring Dorset campaign, run in partnership with Southern University Network (SUN), Dorset Council and Dorset LEP, is an exciting campaign with big ambitions to help raise and broaden aspirations for children in Dorset and to excite and motivate young people about the world of work and how what they are learning in school relates to the wider world.

As a result of this campaign, there are lots more opportunities to take part in fun and exciting events across primary and secondary schools in Dorset.

Here are some of the current events looking for volunteers:
